DEALERSHIP ALREADY ENROLLED:

Verify your information

- Log-in to your dealership account. It is best to log-in from the same computer that has been used to manage your account in the past. If you log-in from a different device, you may be prompted with a two-step authentication instruction for verification.

- Once you have logged-in, you will be directed to the dealership dashboard. Please make sure all information is up-to-date, including Primary Point-of-Contact and ACH information so we can assure both correspondence and payment reaches the intended destination.

Adding/Removing Additional Employee Accounts

- To add an additional Point-of-Contact, select “Manage Employees” and enter in the employee’s email information.

- The employee will receive an email containing the dealership’s unique ID, along with a link to create their own access to the dealership dashboard. Please note that only the Primary Point of Contact can make adjustments to ACH info and Employees on the dashboard.

Changing Primary Contact

- If you are needing to change the Primary Contact for an already enrolled dealership, please reach out to Charge Up New Jersey at (877) 426-2474 or at chargeupnj@energycenter.org.

PASSWORD RECOVERY

IMPORTANT: The Dealer Portal will lock after three unsuccessful login attempts

- If your login info, such as your password, has been denied twice, please reset your password by clicking “Forgot your password?” and entering your dealership’s email.
